DISCUSSION / BACKGROUND

Chapter 2.5 (formerly Chapter 2.2) of the California Government Code, also known as “County Service Area Law,” contains the regulations for establishing and governing County Service Areas.

Government Code Section 25215.2 (formerly 25210.06a) authorizes the Board to levy special taxes uniformly to all taxpayers on real property within the County Service Areas. Special taxes have been approved by the electorate for one (1) Zone of Benefit in County Service Area 3, and forty-two (42) Zones of Benefit in County Service Area 9 in fiscal year 2017/2018.

On March 6, 2018, mailed ballot elections were conducted in two Zones of Benefit in County Service Area 9, and special taxes were approved by the required two-thirds (2/3) majority of the participating registered voters, and replace the former benefit assessment/service charges that funded the zones through fiscal year 2017/2018. The taxes will first be collected in fiscal year 2018/2019. The two zones, Pineoakio Road Zone of Benefit 29 and Pilot View Road Zone of Benefit 35, are not included in the attached report for fiscal year 2017/2018, but will be included in the report for subsequent fiscal years.

Government Code Section 50075.1 requires each special tax measure subject to voter approval on

or after January 1, 2001 include four accountability measures. The accountability measures are: 1) a statement indicating the specific purpose of the special tax; 2) a requirement that the proceeds be applied only to the specific purposes identified; 3) the creation of an account into which the proceeds shall be deposited; and 4) an annual report pursuant to Section 50075.3.

As specified in Government Code Section 50075.3, the Chief Fiscal Officer of the levying local agency shall file a report with its governing body no later than January 1 following the end of each fiscal year. The report must contain: a) the amount of funds collected and expended; and b) the status of any project required or authorized to be funded as identified in Subdivision (a) of section 50075.1 of the Government Code.

In order to comply with the requirements of Government Code Section 50075.1(d) and 50075.3, a summary of all zones funded through the levy of special taxes for fiscal year 2017/2018, and individual pages containing details for each zone are included herein as attachments A and B.

Each detailed Zone page includes: the Zone of Benefit purpose, name and number, the index code and user code established by the Auditor/Controller for the account into which the zone proceeds were deposited under the mainframe accounting system FAMIS, in use through December 31, 2017, the Org Code and Subfund established by the Auditor/Controller under the enterprise resource program, FENIX, the successor system to FAMIS effective January 1, 2018, the total funds collected during the fiscal year; the total funds expended during the fiscal year; and the project status as of June 30, 2018.

In addition to the required information, each detailed page includes the Total Equity in Pooled Cash in each Zone account as of June 30, 2018, and the fund balance designation balances showing savings for planned future maintenance and future infrastructure replacement, as recommended either through an Engineer's Report submitted at formation of the Zone, or by the advisory committee where one has been appointed.
