### DISCUSSION / BACKGROUND

In accordance with Government Code Section 27388(d), the Board of Supervisors is required to annually review the effectiveness of the District Attorney in deterring, investigating and prosecuting Real Estate Fraud crime based upon information provided by the District Attorney in an annual report. The report is attached.

To briefly summarize, during FY 2020-21, the number of Real Estate Fraud cases reported to the District Attorney’s Office was lower than in years past. The department assumes this may be due to the impact of the COVID-19 pandemic, causing a decrease in reporting and potential vacation rental scams.

The District Attorney will continue to pursue new avenues to increase outreach efforts and education opportunities to promote the awareness of rental scams and fraud warning signs for homeowners experiencing financial distress.
