Chief Administrative Office, at the request of Supervisor Santiago, recommending the Board receive a presentation from CrowdBrite on their online and interactive outreach and meeting collaboration tools, to include benefits, cost options and implementation measures.

Fiscal Impact/Change to Net County Cost

There is no Fiscal Impact or change to Net County Cost associated with receiving a presentation. The cost of the product is dependent on if the tool is used solely for one project or unlimited/multiple project use is desired.

Background

At the November 17, 2014 Board meeting Supervisor Santiago inquired about the online outreach and interactive meeting collaboration tools from the company CrowdBrite. At Supervisor Santiago's request, CrowdBrite will be giving a presentation via a conference call and online presentation, to include benefits, cost options, and implementation measures.
