Background:
 Per Board Policy A-19, Information Technologies is required to review and update, on a bi-annual

basis, the County's Computer and Network Usage Guides (CNUG) that include the Computer and Network Resource Usage Policies and Standards Guide for Departmental IT Staff and General Use. Both are incorporated into Board Policy A-19.

Reason for Recommendation:

Information Technologies has completed its review of the County's CNUG documents and made the necessary updates and changes with the concurrence of the Information Technology Steering Committee (ITSC).

Action to be taken following Board approval:

Updated documents will be incorporated into current Board Policy A-19.
