DISCUSSION / BACKGROUND

Promontory Village 7 Tentative Subdivision Map, a 131-lot residential subdivision within the adopted Promontory Specific Plan, was approved by the Planning Commission on August 24, 2017, under Tentative Subdivision Map application TM16-1530 (Exhibit C). The approved map included a 10-lot phasing plan for the anticipated financing and phasing of the subdivision. To date, no development has occurred and no final maps have been recorded.

Consistent with the approved Promontory Village 7 Tentative Subdivision Map, this Large Lot Final Map has been filed to create the 10 large lots for phasing and financing purposes in accordance with Subdivision Map Act Section 66456.1 (Exhibit D). No development is associated with the Large Lot Final Map application; as such, none of the approved Conditions of Approval or necessary improvements for the Tentative Subdivision Map would be triggered.

A Notice of Restriction (NOR) will be recorded with this Large Lot Final Map prohibiting the issuance of any building permits on these large lots until such time subsequent small-lot final maps are recorded (Exhibit E). The small-lot final map(s) for the subsequent development phases based on this Large Lot Final Map shall be further verified for conformance with all applicable Conditions of Approval of the Tentative Subdivision Map under separate Final Map application(s).

Environmental Review: The review of the Final Map is a ministerial process and is Statutorily Exempt from environmental review under Section 15268(b) (3) of the California Environmental Quality Act Guidelines.
