FUNDING: Department of Justice Asset Forfeiture Funds.

DISCUSSION / BACKGROUND

The District Attorney, through an agreement with the Federal Department of Justice (DOJ), receives monies for assets seized by partner agencies, also referred to as Equitable Sharing Funds (EQSHR). The funds are deposited into a trust fund in the County Treasury until such time the District Attorney requests the use of the funds per the guidelines established in the Equitable Sharing agreement with DOJ. One of the requirements outlined is obtaining Board approval for the use of EQSHR funds. According to the guidelines, EQSHR funds shall be used by law enforcement agencies for law

enforcement purposes only, which includes law enforcement training and education.

The District Attorney is requesting EQSHR funds be utilized for staff to receive hybrid training sessions, extending their knowledge of Science-Based Interview Techniques. Tailored Training Program, LLC (Tailored Training) is a consulting team comprised of world-renowned law enforcement interview instructors and has administered several successful trainings to the District Attorney's Office in the past. Tailored Training instructors are experts in the field of investigations and interview techniques. The specific trainings to be provided will allow District Attorney staff to increase their current level of interviewing skills, with some individuals becoming coaches or mentors in the subject matter. The total cost of the varying courses, beginning September 27, 2022 and lasting through the first quarter of 2023, is \$53,975, inclusive of all applicable travel expenses. Per the Board's approval, Amendment I to Agreement 4935 for Interrogation Training services shall increase the total not-to-exceed amount by \$53,975, for an updated total amount of \$93,975.

ALTERNATIVES

Should the Board opt not to approve the use of EQSHR funds for the Science-Based Interview Trainings and execute Amendment I to Agreement 4935 with Tailored Training Programs, LLC, the department would request General Fund appropriations.
