DISCUSSION / BACKGROUND

Each year, the Chief Administrative Office works in conjunction with County Departments to review the status of the current year's budget, and presents a Mid-Year report which summarizes the County's budget status as of December 31 of the given year. The review and report is intended to identify any material variances in projected revenues and expenses and provides a fund balance estimate relative to the upcoming Fiscal Year budget preparation.

Departments are in the process of developing their FY 2020-21 budget requests. These requests were due to the Chief Administrative Office on February 21, 2020. A special Board meeting is planned for Monday, April 13, 2020, to discuss any major revenue, expenditure, and/or policy issues related to the FY 2020-21 Recommended Budget, prior to the Chief Administrative Office finalizing work on the budget book. The CAO Recommended Budget for FY 2020-21 is estimated to be complete by mid-May, with the Budget Hearing set for June 8, 2020.

The Chief Administrative Office is also recommending that the Board approve the updated Board Policy B-16, which includes a new budget policy regarding budgeting of Capital (Fixed) Assets. The proposed policy has been distributed to all Departments for review, and has been reviewed by the FY 2020-21 Budget Ad Hoc Committee.

Note: Ordinance 2.13.060 may need to be revised with the implementation of this policy. Sub-section (D) of this ordinance provides that the Chief Administrative Office shall "Recommend to the Board regarding requests for unforeseen and unbudgeted expenditures; approve budget transfers and

revisions within appropriations, including additional fixed assets; and make recommendations on transfer requests which require Board action."
