Fiscal Impact/Change to Net County Cost:

There is no Fiscal Impact or change to Net County Cost associated with the requested action.

Background

This Final Map for Treviso II subdivision would create a total of 20 residential lots, which range from 5,851 square feet to 1.322 acres in size, and an open space lot measuring 2.305 acres (Exhibit C). The clustered residential subdivision would be accessed via private road off Via Treviso. The Final Map conforms with the approved Tentative Map and Development Plan approved by the Board of Supervisors on March 6, 2012, and with the revised map approved on July 25, 2013 (Exhibits D and

E).

Exhibit F details the verification of the Final Map for conformance with the approved conditions of approval for the Tentative Map. County departments and affected outside agencies, including the El Dorado Hills Fire Department, Transportation Division, and County Surveyor's Office, have recommended approval of the map. A meter award letter from El Dorado Irrigation District (EID) has been secured for public water and sewer services for the subdivision (Exhibit G). The Agreement to Make Subdivision Improvements has been approved by Transportation Division, subject to authorization by the Board Chair.

Environmental Review: The review of the Final Map is a ministerial process and is Statutorily Exempt from environmental review under Section 15268(b) (3) of the CEQA Guidelines.
