DISCUSSION / BACKGROUND

George Hills Company has been the County's third-party liability claims administrator since 1982 and has established an excellent working relationship with Risk Management and County Counsel. George Hills is the third-party administrator for the County's self-insured General Liability program. Duties include investigation, evaluation, management, and resolution of bodily injury, personal injury, and property damage claims and potential claims for money damages asserted by third-parties against the County. George Hills will maintain records and provide reports to the County, assume responsibility to report notification to our

excess carrier on behalf of the County, and keep the County fully informed of all significant developments in assigned matters. In addition, George Hills provides all necessary services to ensure County compliance with Medicare, Medicaid, and SCHIP for the Mandatory Insurer Reporting for the County.

Per Board Policy C-17, Section 7.11 - Contracts over \$100,000.00, the scope of services and the Contractor's professional qualifications have been reviewed by a representative from outside the Risk Management Division.
