DISCUSSION / BACKGROUND:

Each county in California is required to operate an IHSS program to provide in-home assistance to eligible aged, blind, and disabled individuals as an alternative to out-of-home care, allowing recipients

requiring personal care and domestic services to remain safely in their own homes.

Pursuant to Welfare and Institutions Code (WIC) § 2302.25 and El Dorado County Ordinance Number 4612, the Board acts as the Governing Board of IHSS PA and has designated HHSA to administer this program on behalf of the County. As the Governing Board of IHSS PA, the Board is authorized to carry out the delivery of in-home supportive services in the County and has the power to contract for services pursuant to WIC §§ 12302 and 12303.3.

On June 18, 2002, the Board authorized the establishment of IHSS PA to serve as County's employer of record for the purpose of collective bargaining for IHSS providers in accordance with Assembly Bill (AB) 1682 (Chapter 90, Statutes of 1999).

IHSS PA is responsible for the administration and delivery of the IHSS Program, including maintaining IHSS provider registries and referrals, offering training resources, and supporting recipients' access to essential care services to promote independent living. IHSS PA does not employ or manage IHSS providers in the role of a traditional employer; rather, each IHSS recipient hires the IHSS provider for their care and is solely responsible for setting their schedule, working conditions, and determining the duration of their employment.

Since March 2003, United Domestic Workers of America, AFSCME, Local 3930, AFL-CIO (UDWA) has served as the bargaining unit representing IHSS providers in El Dorado County. IEDA provides the expertise to meet and confer in good faith with the UDWA on behalf of the IHSS PA as the designated representative of the Governing Board. County has contracted with IEDA since 2003 to assist IHSS PA in negotiations and establish Memorandums of Understanding (MOUs).

This proposed Agreement with IEDA is a renewal of Agreement 7717 approved by the Board on June 27, 2023 (File ID: 23-0949). HHSA recommends Board approval of the proposed Agreement 8491 to ensure continuation of necessary IHSS PA labor relations consultation services without any service interruption.

ALTERNATIVES:

Should the Board decline to approve this recommendation, County would not have access to IEDA's consultation services or advice on employer-employee relations for future negotiations between IHSS PA and IHSS providers.

Approve as recommended.

FINANCIAL IMPACT:

This Agreement for Services is a renewal of an existing agreement. The IHSS Public Authority program receives administrative funding from Federal and State revenues, which is generally 50% Federal and a capped State funding allocation, with the balance funded by County General Fund. Sufficient appropriations have been included in the current fiscal year budget and also in the Fiscal Year 2024-25 budget request. Continuing the contract is not expected to further impact budgeted County General Fund.
