Fiscal Impact/Change to Net County Cost: The not-to-exceed amount of this Agreement is \$550,000. There is no Net County Cost associated with this Agreement.

Reason for Recommendation: Summitview Child Treatment Center, Inc. has been providing specialty mental health services to County youth for over six years. Summitview offers a unique set of clinical services, not all available at the mental health clinics operated by the County Health Services

Department's Mental Health Division (MHD). Prior to referral of a youth to Summitview, MHD assesses the child to determine if specialty mental health services are medically necessary, and in cooperation with the parents or guardians, determines what specific services are required. Summitview is well equipped to serve youth requiring a complex array of services, including after hours and weekend services, when necessary. The services requested by MHD from Summitview are intended to keep youth out of higher and far more expensive levels of care.

The Purchasing Agent has determined that it is appropriate to dispense with any competitive selection process for services performed by Summitview Child Treatment Center, Inc. as the Department contracts with multiple local area firms to provide similar services to its clients on an "as needed" basis. The Purchasing Agent concurs that the Department's request is in compliance with Board of Supervisors Policy C-17, Sections 7.4.2, 7.5, and 7.10.

Renewal of this contract will allow the continuation of specialty mental health services required for seriously emotionally disturbed youth in the County.

This agreement covers the period July 1, 2009 through June 30, 2010. The agreement includes the County's standard "fiscal out" termination clause, as well as a provision for the County to terminate the agreement in seven (7) calendar days upon written notice.

Action to be taken following Board approval:

1. Chairman to sign two (2) original Agreements.
2. Board Clerk's Office to return one (1) original Agreement to the Health Services Department, Mental Health Division.
3. Mental Health Division to distribute as appropriate.
