Supervisor Santiago recommending the Board receive a presentation by John Hester, Planning Director, Tahoe Regional Planning Agency, on the Regional Plan Update. (Est. Time: 90 Min.) The Regional Plan Update is the blueprint for the Tahoe Region's sustainable future. It will guide how communities evolve, how ecosystems function, whether the transportation network is effective, and whether the Basin is restored and economically sustainable. It proposes to do so by pairing ecosystem restoration with redevelopment activities to promote mixed-use town centers where people can live, work and thrive.
