DISCUSSION / BACKGROUND

On April 30, 2024, the Board heard Ordinance **5200** amending the El Dorado County Ordinance Code, Title 9, Public Peace, Morals and Welfare, adding Chapter 9.49, Dog Parks, establishing rules and regulations for dog and Continued the matter to May 14, 2024 for Final Passage (Second Reading).

On April 23, 2024, the Board conducted the First Reading of the new Chapter 9.49 for Dog Parks, and provided direction to Parks staff to explore modifying the proposed Ordinance and the proposed Resolution. Parks staff addressed this with the following modifications:

- 1) The Parks Division phone number and Sheriff's Non-Emergency phone number will be included

on the signage posted at the Dog Park.

2) Replaced the definition of “handler” with the definition of “owner” to be consistent with El Dorado County Code section 6.12.050 in the Ordinance. Replaced the term “handler” with “owner” throughout the Resolution.

3) Updated Enforcement Section E. to clarify that the 10-day time period starts from the citation date.

Parks staff, with guidance from Counsel, made additional modifications per the Board discussion, including the following updates:

- Updated Enforcement Section A. to clarify the exclusion of owners based on three violations to a period of up to one year. Staff and counsel discussed this section and determined that some flexibility is necessary due to differences in severity of potential violations.
- Reviewed Enforcement Section C. and determined the language of “infraction or a misdemeanor” is appropriate pursuant to code Section 1.24, and provides the flexibility for the Sheriff to issue a misdemeanor when addressing a violation.
- Parks staff reviewed County Code section 6.16.090 for dog licensing, tag, and vaccine requirements. The code section was added to Resolution Exhibit A, rule #21.
- Per Animal Services, added the language, “Dogs are not permitted without their owner” to Resolution Exhibit A rule #3 to provide clarity that owners must be with their dog(s) when visiting the park at all times.

The draft resolution is attached for review, and the final resolution for adoption will be presented to the Board on May 14, 2024 with the final passage of the ordinance.

On March 23, 2021, the Board approved the Parks Division to apply for Parks and Water Bond Act of 2018 (Prop 68) Per Capita Grant Program for the dog park, along with two other projects. On May 16, 2023, the Board approved the relocation of the Dog Park to the Rail Park location at 4650 Oriental Street in El Dorado.

On January 9, 2024, the Board conceptually approved the Parks Division to work with the Parks Commission to draft a new chapter in the El Dorado County Ordinance Code for dog parks. On January 18, 2024, the Parks & Recreation Commission reviewed and provided input on a new draft ordinance chapter on dog parks, labeled Chapter 9.49 prepared by the Parks Division.

As of March 2024, Parks staff finished installing the fencing for the Dog Park after placing the project on hold due to wet weather in January. Two bear boxes to hold trash cans and a dog waste bag station were installed. Once the Dog Park Ordinance approved and in effect, and following the adoption of the resolution on dog park rules, Parks staff will install signage at the dog park and officially open to the public. The ordinance will take effect 30 days following Final Passage.
