Background:

Section 182.6 of the Streets and Highways Code authorizes the Tahoe Regional Planning Agency (TRPA) to exchange the assigned Federal apportionments made available to TRPA under the Safe, Accountable, Flexible, Efficient, Transportation Equity Act - A Legacy for Users (SAFETEA-LU), Regional Surface Transportation Program (RSTP), for nonfederal State Highway Account funds. Through Agreements [Agreement numbers: X06-6125(020), X07-6125(021), X08-6125(022), X09-6125(024), and X10-6125(025)] pursuant to Section 182.6 of the Streets and Highways Code, between Caltrans and TRPA, these funds have been exchanged for a like amount of State funds. TRPA has accumulated these funds over prior period funding cycles and the activities proposed by the Department of Transportation (Department) meet their funding criteria.

In order for El Dorado County to receive these exchanged funds from TRPA, an Exchange Fund Transfer Agreement (RSTP) between TRPA and El Dorado County is needed to transfer the State funds. The funds will be used within the Tahoe Engineering Unit's Environmental Improvement Program for the Sawmill 2B Bike Path and Erosion Control Project (JN 95192).

Reason for Recommendation:

This recommended action will allow the Department to receive \$347,770 of State revenue through the TRPA, which will be programmed within the FY 2012-13 Budget for the construction and related construction engineering work for the Sawmill 2B Bike Path and Erosion Control Project.

Action to be taken following Board approval:

1. The Clerk of the Board will obtain the Chair's signature on two originals of the Exchange Fund Transfer Agreement with the TRPA.
2. The Clerk of the Board's Office to return two signed original Agreements to Department.

Action to be taken by the Department following Board approval:

1. The Department will forward the two partially executed original Agreements to TRPA for signature and upon return of one fully executed Agreement from TRPA the Department will forward said Agreement to the Clerk of the Board.
2. The Department will prepare an invoice to obtain the available funding.
