DISCUSSION / BACKGROUND:

Each May, the Administration for Community Living leads our nation’s celebration of Older Americans Month. When Older Americans Month was established in 1963, only 17 million living Americans had reached their 65th birthday, about one-third of older Americans lived in poverty, and there were few programs to meet their needs. Interest in older Americans and their concerns grew, and at a meeting in April 1963 between President John F. Kennedy and members of the National Council of Senior Citizens, May was designated as “Senior Citizens Month,” the prelude to “Older Americans Month.”

This year’s theme is “Age My Way: May 2022,” which is an opportunity for all of us to explore the many ways older adults can remain in and be involved with their communities.

Each year, in honor of Older Americans Month, the public is invited to nominate a senior they believe

has made a significant contribution to the local community, to be considered for designation as El Dorado County Senior of the Year. A panel of Commission on Aging members reviews the nominations and awards this prestigious title to the nominee they believe, based on information presented in the nomination, best demonstrates selfless dedication to serving their fellow County residents and the community at large. A special award is presented annually to the senior selected to receive this honor, and the deserving nominees each receive a certificate in recognition of their contributions to the community. The presentation of the award is scheduled for May 17, 2022.
