DISCUSSION / BACKGROUND:

Board of Supervisors Policy C-17, Section 4.5, "Contract Term," requires departments to obtain

authorization from the Board of Supervisors, initially, and on an annual basis, to use any contract that does not have a stated agreement term.

Since the implementation of FENIX, each perpetual agreement must have a change order executed to allocate funding for payments in the upcoming fiscal year. Therefore, Health and Human Services Agency (HHS) is apprising the Board of the perpetual agreements listed on Attachment A, and recommending the Board authorize the Purchasing Agent to post a change order for each ongoing perpetual agreement to ensure availability of funding in FY 2021-22, effective July 1, 2021.

Agreement 404-O1511 (FENIX 3553) with El Dorado Community Foundation was misidentified as an expenditure agreement and erroneously added to the Perpetual List. This Agreement was approved by the Board on September 15, 2015 (File ID 15-1056, Number 17). The El Dorado Community Foundation manages a charitable fund known as the "County of El Dorado Senior Services Fund" for senior services programs and activities. Funds donated by members and residents specifically for use by senior services programs go into the charitable fund. HHS is notifying the Board that it is being removed from the Perpetual List.

Additionally, during FY 2020-21, HHS terminated three perpetual agreements listed in Attachment B, as authorized by the Board (File ID: 20-0450, Number 10). The combination of these actions resulted in eleven (11) continuing perpetual contracts for FY 2021-22.

During FY 2021-22, HHS will continue to monitor and research the existing perpetual agreements. For those agreements that are no longer needed, HHS will terminate them, as appropriate, and will notify the Board of such terminations on an annual basis.

ALTERNATIVES:

If the Board does not approve the extension of these perpetual agreements, HHS will be unable to process payment for services provided under said agreements.
