DISCUSSION / BACKGROUND

On December 18, 2020, the Clerk of the Board of Supervisors received a tax refund claim from Sprint Telephony PCS, L.P. In this claim, Sprint requests a return of \$10,981.57 for the fiscal year 2016-2017. Due to the fact that the County Auditor's Office properly applied the state mandated tax rate, it is recommended that the Board of Supervisors deny this claim for tax refund.

ALTERNATIVES

The alternative action of allowing the claim is not advisable. Such action would be in violation of existing State law and potentially expose the County to litigation from taxing agencies that will lose revenue. It will also likely expose the County to significant and negative audit findings from the State Office of the Controller.

PRIOR BOARD ACTION

No prior action on this item.

On 06/09/2020 - with Legistar 20-0704, the Board denied an almost identical claim from Sprint Telephony PCS, L.P., for the prior fiscal year of 2015-2016.

CAO RECOMMENDATION / COMMENTS

Approve as recommended.

FINANCIAL IMPACT

There will be no fiscal impact if the claim is denied as recommended. If the claim is approved, at least a portion of the claim will likely have to be satisfied by General Fund money. Taxes at issue total \$10,981.57 , less funds that would be collected from any recipient taxing entities, schools and/or special districts.
