RECOMMENDED ACTION: Planning Commission recommending the Board of Supervisors take the following action: 1. Adopt the negative declaration based on the initial study prepared by staff; 2. Approve Z08-0007/PD08-0006, adopting the preliminary development plan as the official development plan, and rezoning Assessor's Parcel Number 109-480-21 from Industrial-Design Control (I-DC) to Industrial-Planned Development (I-PD); and 3. Approve P08-0010, based on the findings proposed by staff, subject to the conditions in Attachment 1.

Background: These applications were considered by the Planning Commission on August 14, 2008, and were continued to September 25, 2008, at the request of the applicant in order to allow sufficient discussion regarding the proposed conditions of approval. On September 25, 2008, the Planning Commission unanimously recommended these applications for approval.

Pierre Rivas stated that the continuance from the last meeting allowed sufficient time to review the originally proposed Conditions of Approval, which the applicant was in disagreement with. As a result of the review, staff submitted a revised Attachment 1/Conditions of Approval to the Commission, which showed significant changes from the earlier version.

David Cohen, co-applicant, stated that they were ready to accept the new proposed Conditions of Approval.
