FINANCIAL IMPACT

There is no financial impact as a result of this presentation.

The County's recent practice has been to direct at least 51% of TOT revenue to the Economic Development budget. This was pursuant to Policy 10.1.6.4 of the Economic Development Element of the County's General Plan which specified that, "The majority of transient occupancy tax (TOT) generated revenue shall be directed toward the promotion of tourism, entertainment, business, and leisure travel in El Dorado County." On the same day, the Board approved a new Budget Policy (Policy B-16, Section II, No. 13), stating the following: "Transient Occupancy Tax revenue shall be directed toward the impact of tourism and economic development, with consideration for support of tourism and promotion activities within the County and for continued support for grant fund allocations to support Veteran programs within the County" (Legistar Item #19-1818).

The total amount of this funding agreement is \$301,500 for the two year period from July 1, 2019 through June 30, 2021, funded with Transient Occupancy Tax revenue.
