**DISCUSSION / BACKGROUND**

The County purchases Apple tablets through the State of California Department of General Services, Procurement Division's agreement with Natix Incorporated, contract 1-20-07-08G, with a contract term of October 01, 2021 through July 31, 2024. The District Attorney's Office, Information Technologies, and Sheriff's Office have reviewed their upcoming needs for Apple tablets through the term of the contract and recommend that a change order be approved to increase Contract 6033 by \$30,001 to cover anticipated purchases. This will increase the contract value to \$130,000. The requested increase for the purchase order contract will accommodate the specific needs identified by departments and provide flexibility to accommodate additional needs prior to the end of the contract term. Over the current term of County contract 6033, departments have purchased over \$95,000 in Apple tablets.

**ALTERNATIVES**

The Board could choose to not approve the recommended increase, causing operational impacts to departments by delaying or disallowing future Apple tablet purchases.
