**DISCUSSION / BACKGROUND:**

Pursuant to Welfare and Institutions Code Section 16501-16508, HHSA’s Child Welfare Services Program (CWS) is required to provide services to promote family reunification for children and families. Such services are designed to promote the well-being of children by ensuring safety, achieving permanency, and strengthening families to successfully care for their children.

HHSA maintains agreements with multiple vendors for the provision of therapeutic counseling and related services to ensure that clients can be referred by their caseworker on an “as needed” basis to

receive necessary, and in some cases, court-mandated services from the most appropriate and conveniently located vendor. Choice of vendor is based upon the specific needs of each individual HHS client.

**ALTERNATIVES:**

Disapproval of Agreement for Services 3221 will limit availability of appropriately licensed and trained therapeutic counselors, could result in difficulty meeting the needs of the community, and may disrupt continuity of care for clients currently receiving services from this vendor.

**OTHER DEPARTMENT / AGENCY INVOLVEMENT:**

County Counsel, Human Resources, Procurement and Contracts, and Risk Management.

**CAO RECOMMENDATION:**

It is recommended that the Board approve this item.

**FINANCIAL IMPACT:**

There is no Net County Cost associated with this Agenda item. Sufficient appropriations were included in the FY 2018-19 budget, and will be included in future budgets for the term of the Agreement.

**CLERK OF THE BOARD FOLLOW UP ACTIONS**

- 1) Clerk of the Board to obtain signature of Chair on two (2) original Agreements for Services 3221.
- 2) Clerk of the Board to return one (1) fully executed Agreement to the HHS Contracts Unit at 3057 Briw Road.

**STRATEGIC PLAN COMPONENT:**

County strategic plan goal #5 - Healthy Communities - "Improved health, well-being and self-sufficiency of El Dorado County communities, residents, and visitors."
