DEPARTMENT RECOMMENDATION

County Counsel recommending the Board authorize the continuation of the current Perpetual Agreement 252-S1611 with WEBQA, which provides a central, web-based platform to capture and track responses to Public Records Act requests, for the 2018 calendar year, pursuant to the requirement of El Dorado County Policy C-17, Procurement Policy.

DISCUSSION / BACKGROUND

The County is subject to the California Public Records Act (CPRA) under Government Code Section 6250 through 6276.48. The applications provided by WebQA, Inc. captures all requests received via letter, website, fax, or walk-in is ideal for centralized public records. The features not only benefit the requester but also greatly increase efficiencies within the organization. The system is tailored to comply with State law and allows for archiving, reporting, and tracking. This includes the ability to post completed CPRA requests to the web for searching via the CPRA Public Archive portal. Information can be shared more easily with the public and internal staff can be more involved in the process. The application can be found on our homepage under "Online Services" as the Public Records Act Request.

We are bringing this matter before your Board pursuant to the requirement of El Dorado County Policy C-17, Procurement Policy, so that you have the opportunity to be made aware of Agreement 252-S1611 which was approved by a prior Board on January 26, 2016 (Legistar File # 16-0008). The

cost for access to this platform was \$11,900 in 2016 and \$8,760 in 2017. The anticipated cost for 2018 is \$9,210.

We have also provided you with information as to the termination requirement of this Agreement. This Agreement is of value to the County, its operation and County Counsel recommends its continued use.
