Chief Administrative Office, Procurement and Contracts Division, recommending the Board of Supervisors:

FUNDING: General Fund.

Fiscal Impact/Change to Net County Cost: No change to net County cost.

Background: The Board awarded Bid #09-393-028 for food products and kitchen supplies for County wide use in the jails, detention centers, mental health facilities, and the senior nutrition centers on both the East and West Slope and authorized blanket purchase orders to the above-named vendors effective October 15, 2008.

Recently a new bid for food products and kitchen supplies was issued; however, all bidders who were proposing to be primary vendors (vendors who are able to offer all categories of food products) failed to meet the requirements of the bid and their bids were rejected.

As a result, Procurement and Contracts staff have been exploring various bid structures for these food commodities and evaluating the needs of the affected departments, including service, quality, and pricing. Staff would like to take the next eight months to investigate a new bid for food products. This extension will bring the awarded period for these contracts to a total of two years.
