Reason for Recommendation:

Plans and specifications for this project were prepared in house and the project was advertised for bid in September 2007. The project low bidder was Macauley Construction, and a contract was

executed with this firm on November 7, 2007. The Project was substantially completed in December 2007. Project improvements include a full sized paved basketball court surrounded with a 10 foot high vinyl coated chain link fence, and a 6' wide paved pathway that connects the basketball court to the new pedestrian bridge to the south.

The Board action above will start legal time frames for guarantees, and return of retention monies. The project award amount was \$85,244.60. The project included change orders in the amount of \$8,420.00 for a final construction amount of \$93,664.60.

Action to be taken following Board approval:

- 1) The Chairman will sign the Notice of Completion.
- 2) The Board Clerk will send the Notice of Completion to the Recorder/Clerk's Office for recordation and forward a copy of the recorded Notice of Completion to the Department of General Services.
