DEPARTMENT RECOMMENDATION

Negotiations concluded with property owners Calvin R. Overton and Tami L. Overton, as Trustees of the Overton Family Trust, 1/28/2007, securing the County's interest in the tenth of eleven project acquisition parcels, and a settlement has been reached that is representative of the appraised value

rounded to a compensatory value of the necessary land rights.

The Community Development Agency, Transportation Division (Transportation) recommends that the Board Chair sign the Easement Acquisition Agreement for Public Purposes for the Cold Springs Road Realignment Project (Project). The Easements are necessary for construction of the Project.

DISCUSSION / BACKGROUND:

Transportation is currently in the design phase of the Project to realign the curve radius, increase pavement width and shoulders, adjust roadway elevation and improve drainage along a higher-risk segment of Cold Springs Road between Mount Shasta Lane and Fox Print Court in Placerville.

The Project is subject to the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA). CEQA covers both segments and was approved by the Board on November 13, 2012 (Item No. 20). The NEPA Categorical Exclusion for segment 2 was approved by the California Department of Transportation on February 8, 2013. Construction is anticipated to begin in 2015.
