File #: 08-0816, **Version:** 1

Transportation Department recommending adoption of Resolution **182-2008** updating the County's Maintained Mileage System.

RECOMMENDED ACTION: Approve.

Fiscal Impact/Change to Net County Cost: There will be no current fiscal impact to the County. However, future road maintenance cost will affect the Department's budget.

Reason for Recommendation: An update of the Department of Transportation's County Maintained Mileage System is submitted to the State of California each year, pursuant to the Streets and Highways Code, Section 941. This year's update contains some minor corrections and lists those new roads that have been accepted as a part of the completed subdivisions.

Action to be taken following Board approval: 1) Update the El Dorado County Maintained Mileage System; 2) Submit Resolution to CalTrans for Mileage Certification and Map Revisions.

Contact: Tom Celio, Deputy Director of Maintenance, Department of Transportation 642-4909.
