PRESENTATION of video by Supervisor Nutting on the rapidity, of a burn, in the forest. Supervisor Nutting would like the Board to view a short three minute video on the rapidity, of a burn, in the forest. Currently, critical fuel conditions within our county put us at risk for a catastrophic wild lands fire within our forests. In light of the disastrous Cleveland, Freds and Angora fires, their devastation to our county and the existing hazardous fuel conditions on the forest's landscape,
