Fiscal Impact/Change to Net County Cost

Temporary Construction Easement acquisition and settlement costs are \$2,400.00 with title and escrow costs estimated at \$2,500.00 for a total estimated cost of \$4,900.00. Funding for the acquisition process will be provided by a combination of the Bass Lake Hills Specific Plan Public Facilities Financing Plan and Regional Surface Transportation Program Exchange Funds - Caltrans.

Background

The Community Development Agency, Transportation Division (Transportation), has completed the design phase of the Hollow Oak Road Drainage Project (Project) to mitigate and repair drainage on Hollow Oak Road, including connection to a culvert under Bass Lake Road.

The Project is subject to the California Environmental Quality Act (CEQA). The CEQA Categorical Exemption was approved by the Board on February 2, 2011 and construction is anticipated to begin in the spring of 2015.

Reason for Recommendation

Settlement negotiations concluded with property owner Joseph P. Williams, Surviving Trustee of the Williams Family Living Trust, 9/19/1991, securing the County's interest in the acquisition parcel. A settlement has been reached that is representative of the appraised value of the necessary temporary land rights, in addition to the agreed upon compensation for prior use of the subject parcel.

Clerk of the Board Follow Up Actions

- 1) The Clerk will obtain the Chair's signature on one (1) copy of the Settlement Agreement and Release of Claims and the Certificates of Acceptance for the Grant of Temporary Construction Easement.
- 2) The Clerk will return one (1) color copy of the fully approved original Settlement Agreement and Release of Claims and return all remaining original executed documents to Transportation for final processing.
