Supervisor Hidahl recommending the Board receive a presentation from Pioneer Community Energy with program updates.

FUNDING: N/A

DISCUSSION / BACKGROUND

Pioneer Community Energy will share information about their programs, with an emphasis on their newest program they will be launching, Participate.Energy. The Participate.Energy program is intended to allow for greater access to solar by offering behind-the-meter solar plus battery storage microgrids to homeowners at no upfront cost to the customer. The customer receives the benefit of having solar plus battery storage for their home with the ease of monthly payments to Pioneer through their existing bill.
