University of California Cooperative Extension recommending Chairman be authorized to sign Agreement ELDO200801 with The Regents of the University of California on behalf of the Division of Agriculture and Natural Resources in the amount of \$36,326 for the term July 1, 2008 through June 30, 2009 to provide one half of the salary and benefits for said Department's 4-H Youth Development Program Representative.

RECOMMENDED ACTION: Approve.

BUDGET SUMMARY:

Total Estimated Cost	\$36,326	Funding	Budgeted	\$36,326	New Funding	\$	Savings	\$
Other	\$	Total Funding Available	\$36,326	Change To Net County Cost	\$00.00			

Fiscal Impact/Change to Net County Cost: No additional impact. Funds were approved in the departmental budget for FY 2007-08 and have been included in the FY 2008-09 proposed budget request.

Background: This agreement is for continuation of funding to be provided to UC Regents for salary and benefits for one-half of a full time 4-H Youth Development Program Representative. In past years, the existing agreement was simply amended. UC is requiring a new agreement due to the age of the current amended agreement.

Reason for Recommendation: This position is vital to our youth development program and includes developing projects, programs, activities and resource materials for youth and volunteer 4-H leaders, with emphasis placed on expanding the 4-H Youth Development Program to under-represented clientele. This 50/50 match between the County and UC Regents will continue to provide the position needed to continue and expand our excellent programs.

Action to be taken following Board approval: Board Chairman to sign the two original amendments keeping one signed copy and returning the other signed copy to the UCCE Department, Attention to Nancy Starr.

Contact: Bill Frost, ext. 5509 or Nancy Starr, ext. 5552

Concurrences: Review and approved by County Counsel and Risk Management
