REASON FOR RECOMMENDATION: At the request of Department of Transportation, the Procurement and Contracts division issued an Invitation to Bid for Plant Mix asphalt Concrete in the spring of 2009. The Board awarded the bid on May 19, 2009 (item #6). While the bid solicited pricing for a two-year period, the original Board item only requested a term of twelve (12) months.

At this time, the department would like to continue with the current vendors for an additional year. It is also recommended that the Board authorize the Purchasing Agent to extend the contracts for a third year, provided that the vendors agree to extend pricing and adhere to all other terms and conditions of the original bid. Such an extension would be subject to the Purchasing Ordinance and Board of Supervisors Policy C-17, which would require the Purchasing Agent to perform a comparative market analysis to demonstrate that the extension would make good business sense.

FISCAL IMPACT/CHANGE TO NET COUNTY COST: Procurement and Contracts has been advised that funding is available within the Department of Transportation's budget. Non-General Fund - Road

Fund Discretionary

ACTION TO BE TAKEN FOLLOWING APPROVAL: Following Board approval, the Procurement and Contracts division will extend and increase the blanket purchase orders to Teichert Aggregates, of Folsom, CA in the amount of \$400,000.00 and to Tahoe Asphalt, Inc of South Lake Tahoe in the amount of \$50,000.00.
