Retroactive Term

Agreement is retroactive due to longer than anticipated negotiations with Contractor regarding appropriate insurance documentation and development of updated wording in the Scope of Services necessitated by County Counsel and Program.

Background

Health and Human Services Agency (“HHS”) has successfully contracted with Pharnpak for several years on an “as needed” basis for the purchase of repackaged pharmaceutical drugs from Contractor’s Master Formulary; the repackaging of bulk pharmaceutical drugs provided by County and labeled to its specification pursuant to Federal regulations and in compliance with California Pharmacy law; and providing over-the-counter medications, diagnostic kits, and devices as requested by the County.

Reason for Recommendation

The Health and Human Services Agency recommends approval of perpetual Agreement for Services 012-S1411 to ensure continued access to “as needed” over-the-counter medications, diagnostic kits, and devices and repackaging of pharmaceuticals for treatment or prevention of communicable disease by HHSA.

Action(s) to be taken following Board approval

1. Chair to sign two (2) original Agreements 012-S1411;
2. Board Clerk to return one signed original to HHSA, Contracts Unit, at 3057 Briw Road, Suite A;
3. HHSA to submit the originally signed document to Pharmpak, Inc.; and
4. As applicable, the Chief Administrative Officer, or designee, to execute further documents relating to Agreement for Services 012-S1411, including amendments thereto, contingent upon approval by County Counsel and Risk Management which do not affect the maximum dollar amount or term of the Agreement.
