### Fiscal Impact/Change to Net County Cost

There is no Net County Cost associated with this Agenda item. Sufficient appropriations were included in the fiscal year (FY) 2014-15 budget, and will be included in future budgets for the term of the Agreement

### Background

On June 24, 2014, the original Agreement 631-S1411 was approved by the Board of Supervisors for the provision of auditing services for the County of El Dorado Emergency Medical Services Agency. Goodell, Porter, Sanchez & Bright, LLP was previously selected through a Request for Proposal (RFP) process facilitated by the County Auditor-Controller, and Procurement and Contracts.

Pursuant to Agreement 200-S0811 with El Dorado County Emergency Services Authority (JPA) and Agreement 164-S1211 with California Tahoe Emergency Services Operations Authority (CAL TAHOE), the County has a contractual responsibility for conducting/obtaining annual audits of their books and records.

This Amendment I to that Agreement will allow the Health and Human Services Agency to extend the term and increase the not to exceed amount of the Agreement, thereby incorporating auditing services for the JPA as well as CAL TAHOE.

### Reason for Recommendation

Approval of this Amendment I to Agreement 631-S1411 will ensure availability of qualified auditing services for the Emergency Services Agency ambulance transportation contractors to meet the contractual audit obligations of the County. Failure to approve Amendment I to the Agreement will result in the County failing to fulfill its contractual obligation to audit the Emergency Medical Services Agency ambulance transportation contractors.
