**DISCUSSION / BACKGROUND:**

Each county in California is required to operate an In-Home Supportive Services (IHSS) program to provide personal care and domestic services to aged, blind, or disabled individuals in their own homes. The purpose of the program is to allow individuals who are recipients of these services to live safely at home rather than in costly and less desirable out-of-home placement facilities. The IHSS Public Authority (PA) is responsible for maintaining provider registries, providing IHSS recipients with provider referrals and providing for program navigation. The Board of Supervisors sits as the Governing Board of the El Dorado County IHSS PA and has designated HHS to administer this program on behalf of the County.

The County of El Dorado is the employer of record for IHSS workers for the sole purpose of setting salaries and benefits in the County, and performs this function through the El Dorado County IHSS PA. The IHSS PA does not “employ” the IHSS workers in the traditional sense, in that each IHSS recipient hires the IHSS worker for their care and is solely responsible for setting their schedule, working conditions, and determining the duration of their employment.

In March of 2003, United Domestic Workers of America (UDWA) successfully established itself as the bargaining unit for IHSS providers in El Dorado County. Industrial Employers and Distributors Association (IEDA) provides the expertise to meet and confer in good faith with the UDWA for and on behalf of the IHSS PA as the designated representative of the Governing Board. The County has contracted with IEDA since 2003 to assist the IHSS PA in negotiations and establishing Memorandums of Understanding (MOUs). IEDA assisted the El Dorado County IHSS PA in establishing the most recent MOU between the IHSS PA and UDWA, Local 3930, for the years 2017 - 2024.

This new agreement 7717 is necessary to ensure consistent and ongoing information and guidance with regard to IHSS PA negotiations.

**ALTERNATIVES:**

Disapproval of Agreement for Services 7717 will result in the County negotiating with UDWA without the benefit of professional negotiators, for any further negotiations between IHSS PA and the IHSS workers.

**OTHER DEPARTMENT / AGENCY INVOLVEMENT:**

Approved by County Counsel, Human Resources, and Risk Management.

**CAO RECOMMENDATION:**

Approve as recommended.

**FINANCIAL IMPACT:**

This Agreement for Services is a renewal of a prior year agreement. The IHSS Public Authority program receives capped administrative funding from Federal and State revenues, which is generally 50% Federal and State funding. Any cost above the capped allocation is generally 50% County General Fund. Based on the assumption that up to 50% of the cost for this Agreement is General Fund, the expenditure of \$23,000 could result in a Net County Cost of up to \$11,500. Sufficient appropriations have been included in the Fiscal Year 2023-24 Recommended Budget.
