FUNDING: Revenue from Inter-County agreements.

Fiscal Impact/Change to Net County Cost

No fiscal impact or change to net county cost, the Probation Department has anticipated this revenue in their 2013/14 proposed budget.

Background

The County of El Dorado has established two JDFs, Juvenile Hall in Placerville and Juvenile Treatment Center in South Lake Tahoe, for the temporary or long-term commitment of minors detained in accordance with the provisions of the California Welfare and Institutions Code.

Since 2004 the County of El Dorado has had Inter-County contracts in place to allow juvenile wards of contracted counties placement in the JDFs of El Dorado; placement is available to the extent that such accommodations may exist and/or on a space reserved basis, with some counties executing both types of agreements.

Reason for Recommendation

Pursuant to Board of Supervisors Policy C-17, Procurement Policy, Section 4.5, Contract Term, "Departments must obtain authorization from the Board of Supervisors, initially, and on an annual basis, to utilize any contract that does not have a stated contract term." Following execution, all the above mentioned agreements will be perpetual in relation to the term and shall be presented to the Board on an annual basis.

The revised Inter-County agreements that are based on “space-available” beds (Nos. 600-S1211, 601-S1211, 602-S1211, and 603-S1211) reflect a rate increase from \$100 per day/per bed to \$120 per day/per bed.
