Fiscal Impact/Change to Net County Cost: No matching contribution is required for this grant. The total grant dollar amount for Fiscal Year 2008-09 is \$48,531. There is no change in Net County Cost.

Background: The State of California Environmental Protection Agency, California Integrated Waste Management Board provides annual funding to local governments for used oil recycling programs.

Reason for Recommendation: The purpose of this grant is to provide opportunities for the recycling of used oil. This grant assists local governments with establishing or enhancing permanent, sustainable used oil and oil filter collection programs by providing non-competitive funds calculated by a population-based formula.

Action to be taken following Board approval: Upon execution by the Chair, the Board Clerk's Office will forward the resolution to Environmental Management for submittal with the grant application.
