Health Services Department recommending the Board authorize the Chair to sign Amendment I to Agreement 804-PHD1108 with Health Net of California, Inc., extending the term through June 30, 2011 to provide improved access to dental services for minors in unincorporated areas of the County.

FUNDING: Health Net of California, Inc.

BUDGET SUMMARY:		
Total Estimated Cost		See below
Funding		
Budgeted	\$92,911	Total grant funding
New Funding	\$	
Savings	\$	
Other (est. spent)	\$62,751	
Total Funding Available	\$30,160	Est. unspent
Change To Net County Cost		\$0

Fiscal Impact/Change to Net County Cost: There is no Net County Cost associated with this Agreement.

Background: Health Net of California, Inc., obtained a grant through the Managed Risk Medical Insurance Board (MRMIB) for a Rural Health Demonstration Project (RHDP) and contracted with the Public Health Division to provide improved access to dental services for children and adolescents in the unincorporated areas of the County. The Board approved the RHDP Agreement with Health Net of California on March 31, 2009 with a term through June 30, 2010.

Due to the success of the program, Health Net has agreed to extend the term of the original grant agreement to allow continued use of the remaining funds for activities and financial commitments related to the Agreement's previously authorized scope of work. The Department's Addenda budget will reflect the amount to be expended during the extended grant period.

Compensation for Services: Payments to County are made within thirty (30) days of receipt of quarterly invoices.

Contract Termination: This Agreement includes a mutual provision to terminate the Agreement without cause upon seven (7) calendar days written notice.

Retroactive Term: The term extension is retroactive to July 1, 2010. Upon approaching FY 09-10 year-end, it was determined that unspent grant funding would be available to allow for continuation of

activities if Health Net would consider an extension of the grant period. Upon confirming Health Net's willingness to extend the grant, this Amendment was developed, processed, and submitted for the next available Board date.

Reason for Recommendation: Approval of this Amendment to extend the term of this project will allow the Department to complete activities currently in process that provide access to dental services for children and adolescents in the unincorporated rural areas of the County.

Action to be taken following Board approval:

1. Chair to sign three (3) original Amendments I to Agreement 804-PHD1108.
2. Board Clerk's Office to return two (2) signed Amendment I to Department.
3. Department to distribute documents as appropriate.
