Local Agency Formation Commission Project No. 2014-01.

### **Background**

The Diamonte Estates Reorganization project will annex approximately 113.11 acres (APN 126-100-24) into the El Dorado Irrigation District and El Dorado Hills Fire. The purpose of the annexation is to provide water and fire prevention services to the proposed subdivision. The subdivision includes 19 residential lots ranging in size of 5 acres to 9.9 acres and one 2.2 open space lot.

On March 18, 2014, the Chief Administrative Office sent tax increment exchange proposals to affected agencies. The Board of Supervisors has historically reduced the County and other taxing entities' share of the tax increment in order to provide EID and El Dorado Hills Fire with a 2.6667% and 17% share, respectively. The Chief Administrative Office proposal continues this trend. The proposal reduces the County share of tax revenues from the the Diamonte Estates property by just over 16%, from 40.0190% to 23.9145%.
