- 1) Approve Final Map (TM14-1514-F) for El Dorado Springs 23 Subdivision; and
- 2) Approve and authorize the Chair to sign the Agreement to Make Subdivision Improvements (Attachment 3A). (Supervisory District 1)

FUNDING: N/A (Developer Funded Subdivision Improvements).

DEPARTMENT RECOMMENDATION

Community Development Agency (CDA), Development Services Division, recommending the Board approve the Final Map (TM14-1514-F) for El Dorado Springs 23 Subdivision, and authorize the Chair to sign the Agreement to Make Subdivision Improvements.

DISCUSSION / BACKGROUND

The 21.65-acre site is identified by Assessor's Parcel Number 117-010-05 (Exhibit A) and is located on the west side of White Rock Road, approximately 0.9 mile southwest of the intersection with Latrobe Road, in the El Dorado Hills area (Exhibit B).

The El Dorado Springs 23 Tentative Subdivision Map was approved in January 2015, creating a total of 49 residential lots and seven lettered lots for landscaping and open space (Exhibit C). A minor revision to the Tentative Map for the relocation of the water lines serving the Subdivision was approved administratively in March 2016.

This Final Subdivision Map is consistent with the approved Tentative Map and approved Conditions of Approval (Exhibit D and Exhibit E, respectively). County departments and affected outside agencies including the CDA Transportation Division, Surveyor's Office, and the El Dorado Hills Fire Department have reviewed and recommended approval of the Map. A meter award letter from El Dorado Irrigation District has been secured as proof for public water and sewer services for the Subdivision (Exhibit F). The Agreement to Make Subdivision Improvements is recommended for approval and authorization with Final Map approval, subject to signature authorization by the Board Chair.

Environmental Review: The review of the Final Map is a ministerial process and is Statutorily Exempt from environmental review under Section 15268(b)(3) of the California Environmental Quality Act Guidelines.
