### Fiscal Impact/Change to Net County Cost

No change. Marin County, as the State-designated MAA/TCM Host Entity, is entitled to receive an annual participation fee, which covers program administrative costs and is determined annually on a usage-based sliding scale. The annual MAA/TCM Participation Fee is estimated at \$8,000 per fiscal year, will be paid from existing program revenues, and is included in the Agency FY 2013/14 Recommended Budget.

### Reason for Recommendation

El Dorado County participates in the federal Medi-Cal Administrative Activities/Targeted Case Management (MAA/TCM) Program. The California Department of Health Care Services (DHCS) administers the Program and requires all counties to contract with one "host" entity, which is Marin County, in order to participate in and receive revenues under the MAA/TCM Program. The Health and Human Services Agency acts as the El Dorado County liaison for receipt of MAA/TCM revenues.

Agreement 059-O1410 is effective upon full execution for the term July 1, 2013 through June 30, 2015.
