On June 23, 2016, the Planning Commission adopted Resolution 16-01 amending the Planning Commission Bylaws to reflect changes in procedures and to further clarify the rules that apply to conducting the Planning Commission's business. County Code Section 2.20.650 requires the Board to approve the Planning Commission Bylaws. Community Development Agency, Development Services Division, is recommending the Board approve the Bylaws reviewed and approved by the Planning Commission. The changes are minor in nature, but update the Bylaws to current standards and nomenclature, since the existing Bylaws are twenty years old.
