Background

The County of El Dorado Health and Human Services Agency, Mental Health Division (HHSAMHD) has utilized Community Mental Health Services Block Grant funding since 1997 to address the needs of County minors diagnosed with serious emotional disturbance who reside in the Juvenile Hall in Placerville and the Juvenile Treatment Center in South Lake Tahoe. Services proposed include initial assessments, individual and group therapy, family sessions, and discharge planning.

Grant application materials were erroneously sent to the email address of the former Director of the Health Services Department in May. As required by Board Policy A-6, the HHSA/MHD included in the submission of the application notice that the application cannot be considered binding until ratified by the Board of Supervisors.
