Supervisor Veerkamp recommending the Board receive a presentation from the coordinators of the "World Gold Panning Championships 2016". (Est. Time: 15 Min.)

The World Gold Panning Championships 2016 will be in Placerville. the heart of the Mother Lode will come alive with gold panners from around the world September 11-18, 2016!

The El Dorado County Fair Grounds will look like the gold rush that started in 1848 when James Marshall discovered gold in the tail races of his lumber mill, just a few miles away in Coloma. An international community will be panning away and enjoying spirited competition to find out who is the King or Queen of the gold panning world.
