### **DEPARTMENT RECOMMENDATION**

Community Development Agency (CDA), Administration and Finance Division, recommending the Board approve and authorize the Chair to sign the County of El Dorado Airport Ground Lease for Portable Hangars 310-L1711 (Ground Lease) for Hangar Space SP-05, a Single "T" Hangar at the Georgetown Airport, with Stanley Pool and Mannell Pool, in an amount of \$792 per year as established by Resolution 079-2016, for ten years with two additional ten-year lease options.

### **DISCUSSION / BACKGROUND**

Airport users with portable hangars must enter into a lease agreement with the County for the use of Airport property in accordance with County Ordinance Code § 3.08.021. The lease agreement includes language required by the Federal Aviation Administration and the County.

The proposed Agreement is a new Ground Lease with Stanley Pool and Mannell Pool, upon which an 812 square foot privately-owned portable aircraft storage hangar will be utilized. The initial term of the Ground Lease is ten years; the Lessee has the right to extend the term for two additional ten-year lease options under such terms and conditions as may be agreed upon at such time.

In accordance with the County's Ordinance Code § 18.04.100, Fees and Charges, fees for airport ground leases are set by a Board-adopted Resolution; therefore, lease fees are not negotiated. Current Airport fees were approved by the Board on May 3, 2016 (Item 31) under Resolution 079-2016. The current rate for ground leases of this type is set at \$792 per year. The proposed Ground Lease provides for annual adjustment of this amount if the Board adopts different rates in the future.
