Background:

In accordance with federal regulatory requirements, in order to re-use loan proceeds from various Community Development Block Grant loan activities, the County established a Program Income Reuse Plan that contains guidelines for the administration and utilization of program income received as a result of activities funded under the State CDBG Program. On 10/30/07 the Board approved an amended Program Income Reuse Plan, which had been previously reviewed and approved by the California Department of Housing and Community Development (HCD). Subsequently, HCD has required that the Program Income Reuse Plan include additional language under the Housing Acquisition activity and that the Amendment and Resolution reflect an amendment number.

Reason for Recommendation:

El Dorado County has received various Community Development Block Grant (CDBG) grants, including Housing Rehabilitation, Housing Acquisition and Business Expansion and Retention grants to improve housing and employment conditions among eligible low-income residents of the County. The Program Income Reuse Plan reflects specific allowable uses for CDBG program income. This Amendment 3 ensures ongoing compliance with new and/or changed State regulations and further clarifies allowable uses of funds as it pertains to Housing Acquisition. The proposed Amendment 3 to

the Program Income Reuse Plan and a separate document reflecting the proposed changes are attached.

Action to be taken following Board approval:

Board Clerk to provide Human Services, Community Services Division, with three (3) certified Resolutions. Human Services Director to execute the Amendment 3 to the El Dorado County Program Income Reuse Plan and said Department to submit the amended Plan to the California Department of Housing and Community Development.
