Fiscal Impact/Change to Net County Cost

There is no fiscal impact/change to net County cost. The changes reflect the original intent of the parties.

Background

On August 12, 2014, the Board approved the Operating Engineers Local Union No. 3 Probation unit July 1, 2013 - June 30, 2016 MOU (Resolution 126-2014). Further review found that the resolution stated the incorrect pay period for the first 12% wage increase to become effective. In addition, Article 5, Wages and Other Related Issues in the Operating Engineers Local Union No. 3 Probation MOU provided incorrect CalPERS Liability Transfer pay period information.

Reason for Recommendation

Resolution 126-2014 incorrectly states that the first 12% wage increase would be effective the *second full* pay period following the adoption of the resolution by the Board of Supervisors. The recommended resolution provides correct verbiage that the first 12% wage increase is effective the *first full* pay period following the adoption of Resolution 126-2014. This provides for an effective date for this increase as of August 23, 2014.

In addition, the language in the Operating Engineers Local Union No. 3 Probation unit July 1, 2013 - June 30, 2016 MOU, Article 5, CalPERS Liability Transfer, regarding employee contributions incorrectly states that the employee CalPERS contribution is effective the *fourth* pay period following ratification and Board of Supervisors adoption of the MOU. The attached revised MOU provides the correct verbiage that the employee CalPERS contribution is effective the *third* pay period following ratification and Board of Supervisors adoption of the MOU. This provides for an effective date for this provision of September 20, 2014.
