Sheriff's Department recommending the Board approve acceptance of additional funding from the California Multi-Jurisdictional Methamphetamine Enforcement Team program grant in the amount of \$40,000 and approve the corresponding Budget Transfer modifying the Sheriff's Fiscal Year 2009-10 budget. (4/5's vote required)

FUNDING: California Multi-Jurisdictional Methamphetamine Enforcement Team grant.

BUDGET SUMMARY:		
Total Estimated Cost		\$ 40,000
Funding		
Budgeted	\$	
New Funding	\$ 40,000	
Savings	\$	
Other	\$	
Total Funding Available	\$ 40,000	
Change To Net County Cost		\$ -0-

Fiscal Impact/Change to Net County Cost: None. This funding will provide both revenue and offsetting expenditures in the Sheriff's FY 2009-10 budget.

Reason for Recommendation: The County of El Dorado is a participating agency in the Northern Region, Southern Initiative Multi-Jurisdictional Methamphetamine Enforcement Team (Cal- MMET) grant program which is administered by Yolo County. The Department recently received notification that one participating agency would be unable to expend their allocated funding by June 30, 2010. As a result, the funds have been offered to other participating agencies as long as the funds can be expended by June 30, 2010.

As a result of this additional funding, the Sheriff's Department has indentified a need to purchase a 4X4 vehicle for their South Lake Tahoe El Dorado Narcotic Enforcement Team (SLEDNET) task force. The Department has worked with Purchasing and a vehicle has been identified at a local dealer. Purchase is pending Board approval to accpet the funds.

Action to be taken following Board approval: Auditor Controller's office will process the budget transfer. Sheriff's office will work with Purchasing to acquire the vehicle
