While the full benefit of the Project will not be realized until completion of all phases, Phase 1A will add benefit to the County's traffic circulation and independent utility.

The Project is included in the Community Development Agency's 2014 Capital Improvement Program as adopted by the Board of Supervisors on June 24, 2014 (Item No. 64). The Project is also subject to the California Environmental Quality Act and the Environmental Impact Report was approved by the Board of Supervisors on May 24, 2011 (Item No. 39).
