Chief Administrative Office recommending the Board receive a presentation from PG&E regarding their Community Wildfire Safety Program and related efforts.

FUNDING: N/A

DISCUSSION / BACKGROUND

Pacific Gas & Electric (PG&E) launched its Community Wildfire Safety Program in 2018 to increase safety for customers and communities. The Program's focus areas include:

- Undergrounding powerlines
- Strengthening the electric grid
- Enhancing powerline safety settings
- Reducing Public Safety Power Shutoff impacts
- Conducting enhanced vegetation management
- Installing microgrids
- Utilizing innovative technologies

CAO RECOMMENDATION / COMMENTS

The Board should receive and file this presentation
