Health and Human Services Agency, Community Services Division, recommending the Board:

- 1) Accept with thanks a donation of \$500 from volunteer Lorretta Fuller, through the Chevron Humankind volunteer grant program, to be used to enhance Senior Nutrition program services; and
- 2) Authorize the Director of the El Dorado County Health and Human Services Agency, or successor, to sign the Chevron Humankind letter confirming Ms. Fuller's volunteer services and any further documents related to accepting the donation or future donations from Chevron Humankind on behalf of donor Lorretta Fuller; and
- 3) Authorize the Chief Administrative Officer to sign a statement identifying the Health and Human Services Agency as a public agency as required by Chevron Humankind.

**FUNDING:** Chevron Humankind Volunteer Grant.

### **Fiscal Impact/Change to Net County Cost**

None. The amount payable to the Health and Human Services Agency is estimated to be approximately \$500 to be used to enhance Senior Nutrition program services. Each year the Health and Human Services Agency includes estimated donations in their annual budget. As a result, the acceptance of this donation does not impact Net County Cost.

### **Reason for Recommendation**

Chevron Humankind provides Chevron employees and retirees the opportunity to support causes of their choosing by providing a match of financial contributions and grants for volunteer time. Lorretta Fuller is a Chevron retiree who regularly volunteers her time at the Senior Nutrition site located in Diamond Springs. Ms. Fuller has requested a Chevron Humankind Grant for Good be made to the El Dorado County Health and Human Services Agency for 20 hours of her volunteer time contributed to the Senior Nutrition program. Chevron Humankind is requiring a signed confirmation of Ms. Fuller's volunteer services as well as a statement on CAO letterhead verifying the Health and Human Services Agency as a public agency.

### **Action(s) to be taken following Board approval**

The Director of the Health and Human Services Agency to sign the Chevron Humankind letter confirming Ms. Fuller's volunteer services. Chief Administrative Officer to sign a statement identifying the Health and Human Services Agency as a public agency. Health and Human Services Agency to send a letter of appreciation to Ms. Fuller.
